

OUR BIGGEST TRUCK

Your easiest day.

Isuzu has been the leading truck brand in Australia for 30 years straight*. A dominant position earned by offering you safety, performance, driveability, comfort, operating costs, productivity and, above all, our legendary reliability. The Giga Series, our biggest trucks, offers you a range of options. Including Short, Medium and Long models, right up to our mighty Gigamax flagship. You also have a choice of engines, transmissions, wheelbases, axles, suspensions, even tyres. All of which will help make your daily grind much less of a grind, whatever your application.

*According to T-Mark industry statistics.

338KW/460PS

Giga CXZ/CXY.

With GCM ratings of 57,000kg GVM, Isuzu AMT or Eaton 18-speed transmissions, Meritor rear axle sets and 6-rod or Hendrickson HAS airbag suspension in rigid, rigid & dog and highway specifications, Isuzu's Giga range will ideally match an array of local and intrastate haulage applications.

- ECE-R29 cab-strength and FUPS compliant.
- ABS standard across all models.
- Driver's SRS airbag and integrated seatbelt pre-tensioners.
- Michelin tubeless tyres / low energy type on Highway spec models.
- Three-seat, first-class cab.
- ISRI 6860 air-suspension driver's seat.
- Integrated, automatic air-conditioning.
- Isuzu Multimedia system.
- Satellite navigation is standard across Giga models.

382KW/520PS

Gigamax EXY.

With 520ps and a GCM rating of 70,000GVM the Gigamax is ideal for intrastate applications and inter-capital interstate line haulage.

- ECE-R29 cab-strength and FUPS compliant.
- ABS with Electronic Braking System standard.
- Driver's SRS airbag and integrated seatbelt pre-tensioners.
- In-cab airbag suspension control.
- Michelin tubeless tyres.
- Three-seat, first-class cab.
- ISRI 6860 air-suspension driver's seat.
- Integrated, automatic air-conditioning.
- Isuzu multimedia system.
- Satellite navigation is standard across Giga models.

Gigamax shown with additional cost accessories.

DON'T MISS A THING.

An option* that offers you the miracle of (almost) 360° vision. Operating through a unique multi-view digital touchscreen audio-visual unit, a camera system puts you all over the truck. You can have cameras in four different positions, all displaying at the same time, and even with audio. It shares the load of manoeuvring in tight spots.

*At additional cost.

CARRY LOADS IN THE CAB.

Cabs are anything but afterthoughts with Isuzu. For instance, you'll find stacks of storage space and locations for all your stuff. Along with heaps of room for you and your workmates as well, including generous stretch-out legroom. All in all, it's a very comfy and accommodating place to be.

MULTI-MEDIA AT YOUR FINGERTIPS.

Our Isuzu Multimedia System with 6.2 inch screen puts the ultimate cab infotainment system at your fingertips. Navigate through the simple menu to play your favourite songs or (digital) station, or, for even greater convenience and safety, use voice-controls for many of the functions available. Hands-free Bluetooth and sat-nav are standard, while tyre-pressure monitoring is optional*.

*At additional cost.

AFTER WE MAKE THE TRUCK WE MAKE THE BED.

The high-end Gigas bring you the luxury of a handy sleeper bunk with mattress and surround curtains. It complies with ADR 42 and it's very accommodating.

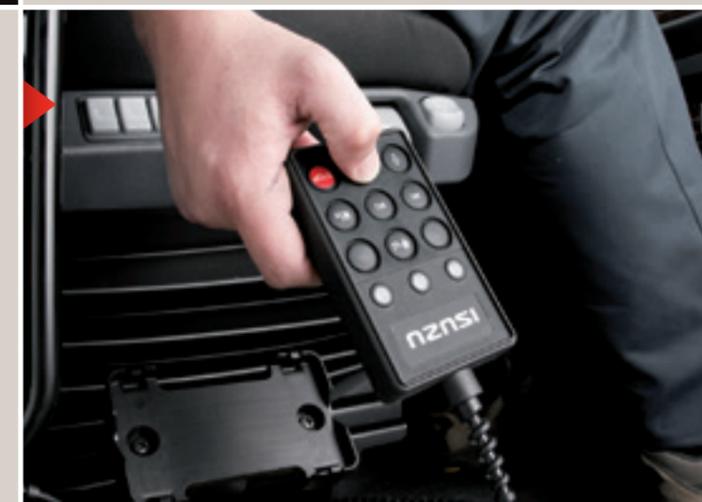

THE BEST SEAT IN THE BUSINESS.

All Gigas have the ISRI 6860 air-suspension driver's seat as standard. And it's anything but standard. It incorporates a lap-sash seatbelt, head restraint, dual-stage air lumbar/lateral support, integrated pneumatic system, adjustable shock-absorber and body-hugging upholstery from head to knee. Sharing the load for the sake of your body.

PUSH-BUTTON SUSPENSION.

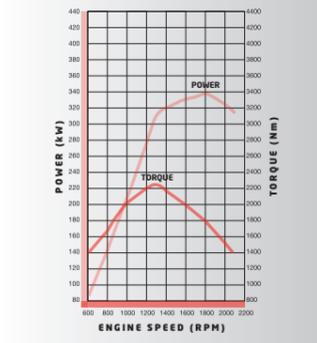

Most Gigas come with airbag rear suspension, either Hendrickson or our own. What's more, in the Gigamax you can raise, lower or 'dump' it, from your seat, using the handy remote.

GIGAS' FIGURES.

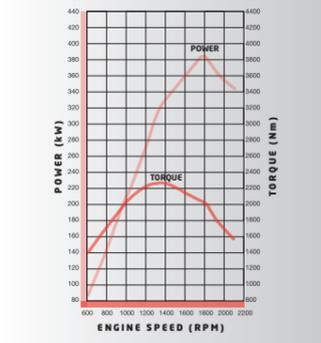

Here you'll find the basic specifications for our Giga model range. If it leaves you undecided about which one's right for you, there's always our ISIS software programme (see over). A discussion with your Isuzu Dealer will make your choice both easier and surer. Pointing you to the one that'll best share the load with you.

SiTEC Series II 460

The Isuzu SiTEC Series II 460 produces 338kW power and impressive 2255Nm torque.

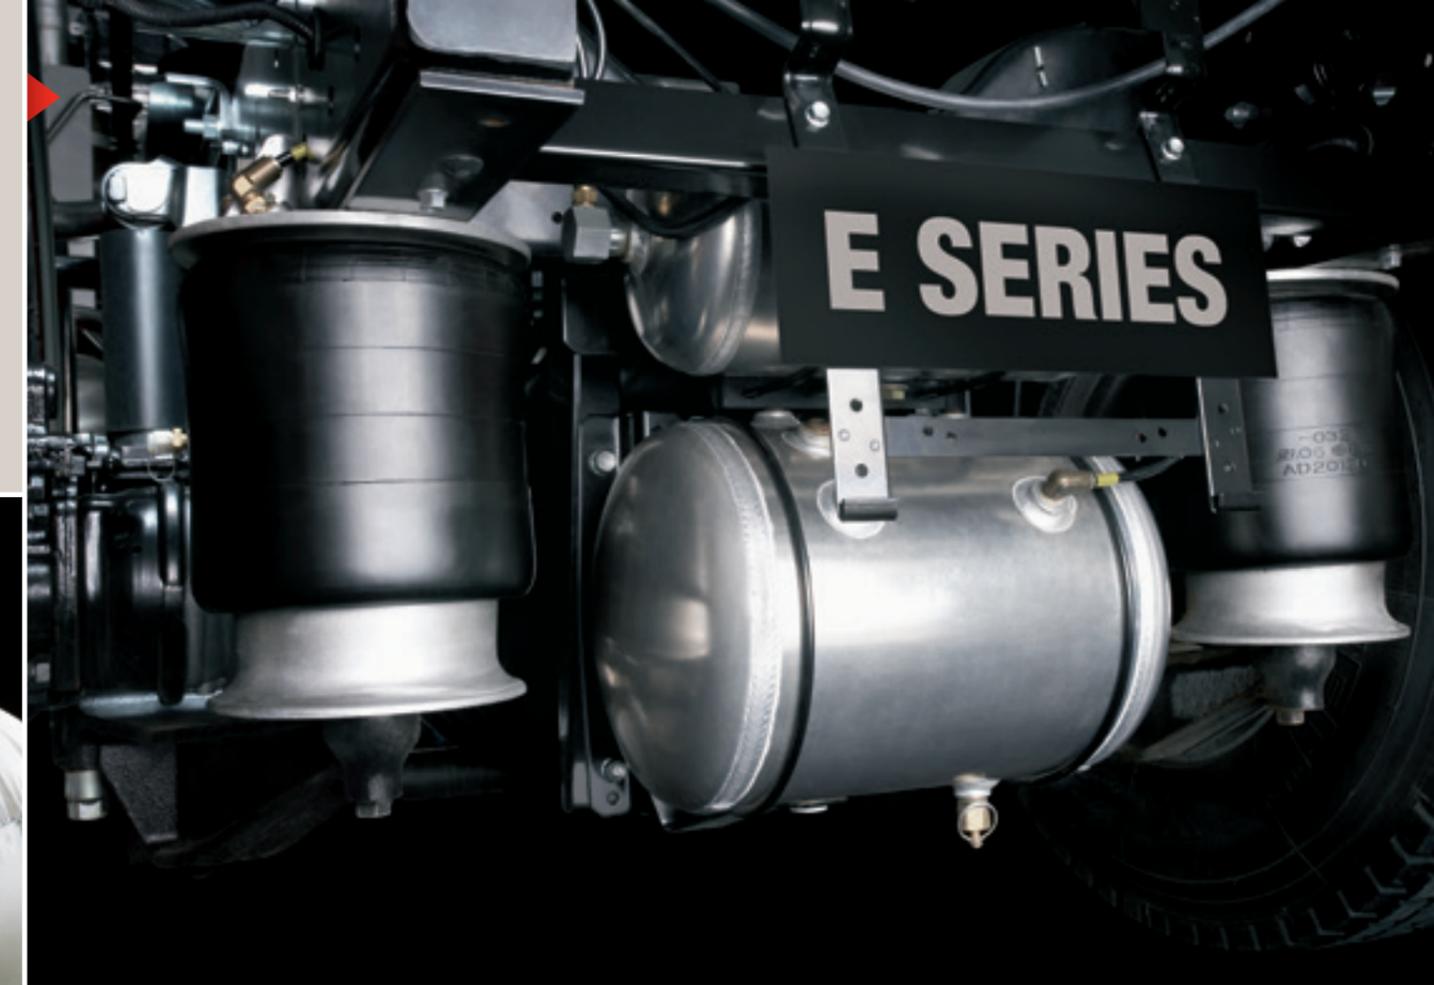

SiTEC Series II 520

The Gigamax is powered by the Isuzu SiTEC Series II 520 and produces 382kW power and 2255Nm torque.

SUSPENDED ON AIR.

Most Giga come with airbag rear suspension. Either Hendrickson from the US. Or an 8-bag system from us (as shown here). They both help deliver a stable ride for the load and the driver. Some models even have an in-cab remote, so you can conveniently adjust the ride-height from your seat (see previous page).

†From delivery. *Engine warranty in the 4th and 5th year is limited to cylinder block, cylinder head and crankshaft. Note: The above chart is a brief representation of the chassis specifications within the Isuzu Giga Series model range which may change from time to time. For the latest and a detailed understanding of the model and specification variants, please refer to the applicable Isuzu model Specification Sheet. Our goods and services come with guarantees that cannot be excluded under the Australian Consumer Law. For major failures with the service, you are entitled: to cancel your service contract with us; and to a refund for the unused portion, or to compensation for its reduced value. You are also entitled to choose a refund or replacement for major failures with goods. If a failure with the goods or a service does not amount to a major failure, you are entitled to have the failure rectified in a reasonable time. If this is not done you are entitled to a refund for the goods and to cancel the contract for the service and obtain a refund of any unused portion. You are also entitled to be compensated for any other reasonably foreseeable loss or damage from a failure in the goods or service. For more details visit the Isuzu website which explains Isuzu Warranties in more detail, or alternatively contact your local dealer. All warranties commence from date of delivery.

A VERY SAFE HAVEN.

All Giga cabs comply with the latest ECE-R29 standard, so they are truly world-class. Double side-intrusion bars, seatbelt pre-tensioners and load-limiters, and driver and passenger airbags are all standard. Along with traction control and a whole list of other safety systems. In an Isuzu, you will always work safe.

IS IT A MANUAL OR AN AUTO? YES.

Several models come with Isuzu AMT, Automated Manual Transmission. It has 12 or 16 speeds and you drive it like an auto, but it functions like a manual. A very practical way in which we share the load.

Isuzu Care.

Reliability means so much more than just a mechanically reliable truck. Isuzu Care is the most comprehensive customer care truck programme ever seen in Australia, offering a suite of innovative support services and a level of customer care that's setting new industry standards. Wherever you are, Care's as close as a Freecall to 1800 035 640.

ISUZU ROADSIDE ASSIST.

Isuzu Assist is a 3-year, 24-hour roadside assistance program that comes at no extra cost with all new Isuzu trucks. And while our trucks are renowned for their reliability, even if you run out of fuel, lose your keys, get a flat tyre (or battery), Isuzu Assist will be there to sort it out. Just Freecall 1800 947 898.

MAKE STRESS FREE SERVICING A PRIORITY.

There is nothing more crucial than maintaining a healthy fleet, so we've created a 'stress free' service in Isuzu Priority*. Knowing that the lifeblood of your business is under control, and in the best hands, provides true peace of mind and allows you to spend more time doing what you do best – building and growing your business.

*At additional cost.

ISUZU

PRIORITY SERVICE AGREEMENTS

ISIS.

Isuzu Sales Information System (ISIS for short) is a software program the dealer will use to help you select the right truck and body for your application. Once it's been programmed with your requirements, ISIS simulates how the truck will perform in terms of its weight distribution, available power and other performance characteristics. So with ISIS, you're sure to find your most suitable match.

ISUZU EXTENDED CARE.

Isuzu Extended Care* provides a two-year extension to Isuzu's three-year factory warranty. As well as the five-year factory warranty, you'll also receive five years of Isuzu's customer care programme and Isuzu Assist. Available when you buy your truck, it's the ultimate peace-of-mind.

*At additional cost.

ISUZU TRUCK INSURANCE.

By joining forces with Australia's leading truck insurance specialist, NTI, Isuzu can now offer you access to a broad range of insurance products designed specifically for the transport industry, including Commercial Motor Policy, Public & Products Liability Policy, Marine Cargo Policy to cover the freight liability and carriers' cargo insurance, and Business Interruption Policy.
